"SYD" returns to space!

The year is 2525. It's been 10 years since the "SYD" super jet plane installed the "Armored scam Object" and one pilot saved space. A mysterious invasion of space has started again. The humans seriously damaged by the attack can only turn to the "Legendary Hero". "SYD" was given to Alpha Mission II to stand by for the partner's side. Break through the defense line and destroy the core!

Two "SYD's" challenge space!

Collect "power up" items.

10 types of enemy give various strategy.

STEREOPHONIC SOUND (subset applied to)

3-dimensional, stereophonic sound makes NEO·GEO
"come alive"!

What is the destroyer, "Fulcrum Bomb"?
